How did you hear about Island Kitchen and Bath Construction: \_\_\_\_\_

It can be argued that a kitchen is the heart of the home, often viewed as the central hub of home life. Kitchens are not sedate and quiet rooms. They are rooms filled with energy, amazing aroma and beautiful texture. Today's kitchen is a living space where family and friends gather to cook, relax, and sometimes work. The function of a kitchen is ever evolving based on today's busy and varied lifestyles. Therefore, the design of today's kitchen must be constantly evolving as well.

In order for Island Kitchen and Bath Construction to properly serve you we need to know more about you. What is your family lifestyle, needs, desires? If you would kindly take a moment to complete the following questionnaire for your initial visit it would greatly help us deliver an experience that you will find enjoyable and thorough.
